**I am aware of all alternatives available to me and I understand that access to 24-hour care is available only in residential settings, including community residential settings. I agree with the above services outlined on this summary.**

- I understand that participation in all ALTSA/LTC paid services is voluntary and I have a right to decline or terminate services at any time.
- I understand that I must notify my case manager if I have a change in my living situation.
- I understand that I have the right to have a lockable entry door, choose my roommate (if I have one), decorate my own room or unit, make my own schedule and choose what activities I want to do, have access to food at any time, and have visitors at times that are convenient to me.
- I understand that if any of these rights increase risk to my health or safety, these rights may be changed with my consent. If changes must be made, they will be specific to my health and safety needs and only after other options have been tried that did not work.
- I understand that if I feel any of my rights are being violated to call the Complaint Resolution Unit at: 1-800-562-6078.

**By signing this plan, I agree that I have been included in creating it and I agree to receive the services listed in it. I understand that agreeing to receive the services in this plan does not waive any hearing rights I have.**

#### Signature of Provider responsible for implementing the Plan of Care

An individual accepted by a contracted long-term care provider may pose risks to themselves, other residents, caregivers, or others outside the facility/home. This assessment contains information, including details about physical health, mental health, and safety needs, that are relevant to your evaluation of whether you can safely and adequately care for the individual. The CARE assessment is not a service setting recommendation by DSHS.
